1. Introduction:

The Ramakrishna Mission Sevashrama, Lucknow, was started in a small way in 1914, for humanitarian work by a band of young people inspired by the lofty teachings of Swami Vivekananda, the great patriot saint of modern India. By 1925, its activities of social and religious services increased considerably and the Sevashrama was formally affiliated to the world famous Ramakrishna Mission, a religious and philanthropic organization founded by Swami Vivekananda, in 1897 at Belur Math, Dist. Howrah, West Bengal. The Ramakrishna Mission Sevashrama (hereinafter called Sevashrama), so far functioning at Aminabad, was shifted to its present site at Vivekananda Puram in January 1967. The massive and extensive Vivekananda Polyclinic building designed for setting up a medical centre of a new type, offering wide range of ultra modern diagnostic facilities and up-to-date medical therapeutic technology at affordable cost following the ideals of Swami Vivekananda, was formally dedicated for public service on 18th February, 1970. From June 1970 twelve well equipped outpatient departments started functioning.

The B.Sc. Nursing Course is intended to provide young women career opportunities to the noble profession of nursing, and to respond to the ever growing needs of the society to have qualified professionals who could provide quality nursing care both in Government and Private Sectors. The course also facilitates development of teaching, administrative and research skills in the students for their personal and professional growth. Avenues to join as Clinical Instructors in Nursing Colleges and/or to pursue specialized Diploma, M.Sc. (Nursing), PhD courses etc., for further advancement of careers is also open up on completion of this course. Career opportunities are not limited within India alone as there is a worldwide shortage of qualified nurses, including in many of the developed countries, such as, Europe, U.S.A., Australia etc. That being the case, qualified nurses could think of having career options abroad also.

2. Vivekananda Polyclinic & Institute of Medical Sciences:

2.01 The activities of the Vivekananda Polyclinic & Institute of Medical Sciences (hereinafter called the Polyclinic) centre round the teachings of Sri Ramakrishna, 'Service to Jiva is service to Shiva', i.e. spiritually dedicated service of humanity with utmost reverence is worship of God. Since its humble beginning, the Polyclinic has now grown into a renowned 350 bed multi-speciality hospital, standing prominent, in the heart of the City of Lucknow. It has been providing extensive modern diagnostic facilities with spiral C.T. Scan, Digital Mammography, 2D colour doppler, multi-probe ultrasound, 1000 mA X-ray, TMT, ECG, EEG, LFT, PFT, Endoscopy etc as well as fully equipped NABL accredited pathological laboratory with auto analyzers and also a Blood Bank having component separation unit and Apheresis. The Polyclinic has given a new lead in placing emphasis on domiciliary treatment in the outpatient department suited to our economy and increasing population. The outpatient departments (OPD) including Physiotherapy, Dentistry, Ear-Nose-Throat, ophthalmology, endocrinology, cardiology, neurology, chest

& tubercular infections, skin and other specialities, remain open for eight hours on all working days excluding declared holidays. Besides, an Emergency service functions for all 24 hours a day to take care for any exigencies. Apart from the routine procedure, the OPD runs several specialised clinics on particular days of the week for the patients suffering from various ailments such as: Diabetes, Hypertension, Allergy, Asthma, Thyroid, Rheumatism, Anemia, Blood disorders or Cancer. Further, the Allopathic wing is augmented by seven Alternative Therapies viz. Homoeopathy, Ayurvedic, Naturopathy, Yoga, Acupressure, Acupuncture, Reiki and Pranic Healing. The patients are free to choose any system of therapy to suit their requirements.

2.02 The Indoor Department started in 1972-73 with provision for 100 beds only, gradually expanded to the present strength of 350 beds flanked by in-house multi-speciality diagnostic wings. There are separate wards for Medical, Paediatrics, Maternity and Gynaecology, Surgical, Orthopaedic, Neurosurgery, Nephrology and Ophthalmic patients. Critically ill cases are tackled in fully equipped ICU, CCU, NICU, PICU and Emergency Special Care Wards.

2.03 The Hospital has a series of 7 Ultra-modern Modular Operation Theatres in addition to 1 Cardiac OT and 2 Ophthalmic OTs, all of which function simultaneously covering a large variety of surgeries viz. Joint Replacements, Neurosurgery, Plastic Surgery, Laparoscopic Surgery, Uro Surgery, Phaco Emulsification and ENT operations. Besides, there is a Lithotripsy Unit and a set of 27 Dialysis Units, Oncology Unit, and Day Care Unit.

2.04 In order to reach the poor and the handicapped, the Polyclinic has a fleet of Mobile Medical Units which provide free treatment to the rural patients covering 150 villages of Lucknow, Sitapur and Barabanki districts. The Village Health Programme (VHP) has recently been augmented by diagnostic facilities and tele-medicine links. The Polyclinic serves as the referral hospital for the village patients who are provided free indoor facilities including cataract operations. The hospital premises house a Raina Basera to accommodate the attendants of the outstation patients.

2.05 The hospital-generated waste is treated within the hospital premises in accordance with the guidelines of W.H.O. The hospital has arrangement for chemical disinfection, autoclaving and microwaving for different types of waste. The Biomedical Waste Management System of the hospital has already earned recognition from the W.H.O.

2.06 With a view to updating the quality of Medicare services, the Hospital has recently started paramedical courses in 12 disciplines as well as Post Graduate DNB Course in the fields of Medicine, Surgery, Neuro Surgery, Plastic Surgery, Paediatrics, Anaesthesiology, Gynaecology & Obstetrics, Radiodiagnosis, Ophthalmology, Pathology, Orthopaedics and Family Medicine.

13.02 If there is any violation of discipline and conduct in the Hospital, then it is to be reported to the Doctor/Matron under whom she may have been deputed during training, who will call for the written explanation to be submitted within 48 hours.

13.03 If the written explanation offered by her does not satisfy the Doctor/Matron as sufficient or if the offender fails to submit the written explanation, the complaint shall forward with the necessary report to the Principal of the College, who may act in accordance with subparagraph 14.04 below.

13.04 On the basis of a complaint received under subparagraph 14.02 above or on the basis of the report about the conduct recorded, evidence, if any, and the written explanation, if offered under subparagraph 14.03 above, the Principal may call an explanation on punishment to be submitted within 48 hours.

After considering the explanation the Principal shall intimate the punishment proposed to the student accordingly, the Principal shall pass an order of punishment against the student with due regard, to the seriousness of the violation of discipline or conduct. But the punishment finally awarded shall not be more severe than the one intimated to the student as proposed.

13.05 The punishments that may be imposed under subparagraph 14.04 above, according to the seriousness of the offense may be:-

- a. Warning
- b. Suspension from the clinical area and class (restricted for the period of one session of classes and training) to be determined by the Principal.
- c. Termination of training with the liability of paying back, or refunding all the expenditure incurred by the authorities on her (the student) up to the time of termination of her training.

14. Job Opportunities in the Parent Hospital

The candidates are encouraged to enter into an optional service contract for specialized training cum service at least for one year as staff nurses in the parent hospital after successful completion of the course. Willing candidates will be offered proportionate remission of fees and charges at the beginning of the course in lieu of an undertaking for such service contracts (with salary as per norms).
